

You are invited to join our Passover Seder as we Celebrate “Christ In the Passover”

The Passover is an ancient event that is fulfilled by Yeshua Hamashiach, Jesus Christ. Yet it is a story rich in meaning and relevant in its telling, even today.

We will read from the *Passover Haggadah*, “The Telling” and recount and relive that afternoon with Yeshua and His disciples in that upper room, hours before His death.

We will learn of the events of Leviticus 23 that talks, not only about Passover but also of the Feast of Unleavened Bread and the Feast of First Fruits and how they were fulfilled in Yeshua.

We will learn and taste of the elements used in “communion” and their significance for us today.

This will be an experience you will not forget, learning how Christ was revealed in the Passover event in the days of Moses and the Children of Israel and how those events still ring true today.

Space is limited, get your reservations early. **There will be no seating without a ticket**. For tickets, contact Harriet at 360-709-6875, email: loveblooms@comcast.net, Leslie at 360-427-3451, email: leskr362@yahoo.com.
